National Geographic Kids: Predator Face-Off National Geographic Kids: Odd Animals Page 2 Inside you will find 14 practice pages for reading fluency, comprehension, sight words, predictions, main idea, guided reading, reading response, text evidence and more! These pages are each from one of my reading comprehension packets. I know it can be hard to see what is included in a product or in a bundle (especially one with 414 pages!) so I create this free "sample" to make it easier! Most of the reading pages include a short story, 3-4 questions that prompt students to respond to the tePage 3 This is a sample to my huge 320 page unit which will help your students succeed in phonics and fluency. Phonics based fluency is the key to students becoming successful readers! There are daily phonics worksheets that practice a new phonics skill/sound and fluency passage, fluency sentence task cards, flash cards, posters, phonics words task card sets with assessments, sight word activity, sight word flash cards, sight word tests, fluency voice cards, and editable parent letters. This set has EVPage 4 This FREE SAMPLE of my phonics short vowel -a, -e, -i, -o, -u reading, writing and dictation passages has been developed alongside my dyslexic students and struggling readers. They are ideal for teaching or tutoring upper elementary, middle school or high school students and adults who are reading way below grade level. They are free from childish formatting and kindergarten language and will work with EFL students, including adults. This is a short sample of two pages, containing samples of two vPage 5 Blends and Digraphs Reading Passages Blends and Digraphs Reading Passages are the perfect resource to any primary classroom teacher. They can be used for skill practice, reading comprehension, fluency, cold reads, assessment, homework and more! These blends and digraphs reading comprehension passages are great for distance learning, too! Each passage focuses on one blend or digraph. It includes a story, picture clue, and questions that require students to cite evidence. This is very useful for kidPage 6 Reading Fluency and Activity Flip-book | Freebie by Do your young readers struggle with reading fluency? This product is designed for students who are not yet ready for the Read Naturally curriculum, but are close. Students will read the story for a total for four days and track their progress on a graph. Three worksheets accompany this passage to help with comprehension as well. Grab this fluency flip book for your Kindergarten or special education classroom! Want more flip books? Grab them here ---> freebie is a repeated reading recording sheet for your students to track the number of times they reread a fluency passage, poem, or any selected text. I found that when my second graders tried this out they immediately became motivated to reread. They also felt elated because they kept track of their time using the timer app on our iPads and could see the dramatic improvement. During guided reading, I often tell my students to reread the book or chapter we are working on, this repeated reStudent Passage Fluency Graph by This graph allows you and your students to track their fluency progress. Each time they read a timed passage, they can graph the amount of time it took them to read the passage. Students are instantly motivated by trying to beat their previous times Oh No! Fluency by This is a great activity to practice fluency. Students practice reading short passages with expression. If they read correctly they keep their passage. If the draw an Oh No! They put all their passages back. Please let me know if you have other passages/words you would like me to add or make for you to further challenge your students needs :) CreativeTeacher87@gmail.com Subjects: Letter G Fluency Passage & Questions with Vowels A, O, U by Get in easy practice with the letter G sound & vowels A, O, and U! Included: Practice using the letter G sound Vowels A, O, U CVC words Reading passage Comprehension questions Answer Sheet Short A Fluency Passage & Questions FREEBIE! by Enjoy reading this heart-warming short passage about Tad and his Dad to practice Short A fluency! This passage comes with comprehension questions. I hope this makes your teaching EZ Peezy! If you find this product helpful, leaving a review and a rating is the best complement! Thank you for downloading! And if you want more content/products like this, please make sure to click the Follow button! Included: Practice using the short A sound CVC words Reading passage Comprehension questions Page 7 Oral Reading Fluency Tracking Form PDF Version by Tracking Oral Reading Fluency is common in primary grade levels. The data is great for documenting growth or lack of growth. I use this form both in class AND to send home with parents (along with a pack of fluency passages). Parents are easily able to assist in developing fluency with their child and encourage their child to get to the "goal line"! I also have this file posted in a Microsoft Publisher format if you would like to edit the grade level and expectations. If you like this product, Grab this adorable FREEBIE to make your planning for the first week in kindergarten easy! Students love completing their mini book, comprehension passage and writing activity. These work so well in small groups or even for independent work or whole group activities. SEE THIS ACTIVITY IN ACTION --> CLICK HERERead and writing go hand and hand, and my monthly READ and WRITE LIKE A ROCKSTAR kits will help your students work on fluency, comprehension, vocabulary, sight words, writing and MOREAR Sound - Phonics Fluency Assessment by I created these to use as a weekly fluency assessment with my students. Each set includes a real word, nonsense word, and story passage which focuses on a specific sound. Each assessment is worth 15 points. For the story, only the bolded words are counted toward the score, though I do highlight any missed words as well. I do not time these assessments. The first two pages can be printed on cardstock and laminated for maximum sustainability while students use them to read. The last page, or teReading Fluency Bar Graph by I use this chart during our "Fluency Fridays." My students keep this chart inside their homework binders. Every Friday I test their reading fluency (Words Per Minute) using grade level passages and I track their performance with this chart. It helps the students keep track of their own progress and it motivates them to beat their old score. This chart also helps the parents know how their child is doing. If you like this product, please rate it and leave a comment. Thank you! Special thanks Free Preview ... Fluency Poems common core aligned by This is one of the poems in my fluency poems common core aligned. Students love to read these because they are fun and when they pass I let them color the passage. Students want to color them so bad that they will practice over and over:););) Don't forget to leave feedback PLEASE!!! The Product this poem comes from is below:););) A great way to practice reading fluency is reading a passage multiple times. With each additional reading, students improve their decoding, pace, and expression. In this activity, students read the same passage seven times. Each time they read a passage, they can color in a ray of the rainbow. The readings can be completed over any amount of time and done independently, with a partner, or to an adult. Once each ray is colored in, students can write their name on the cloud and feel accomplished! Page 9 Would you like to implement a daily routine, where your kindergarten students practice concepts of print, phonemic awareness, phonics, fluency, letter recognition, sight word recognition, build vocabulary, develop language skills, learn conventions of standard English, interact with informational text, and develop writing skills? "I See Red" is a FREEBIE from my Color Words Shared Reading Bundle and will help you accomplish this in just 10 - 15 minutes a day! This sample includes 1 reading pasPage 10 This product contains a freebie of cut and paste worksheets that will help your students develop fluency with CVC words. The students will have to read the CVC sentences at the bottom of the page, then cut and paste/glue them under the correct pictures. Great for morning work, literacy stations, or homework. These worksheets are perfect for whole class work, group work, use during literacy centers, use during reading centers, morning work, flexible grouping, as a warm up, when a child may have frePage 11 This book includes 20 teacher-guided lessons for the following word families: am, an, ap, at The book begins with phonemic awareness activities and progresses through phonics, writing, fluency, and comprehension. By the time students have finished with this unit, they can combine these letters/sounds into words, write the words, recognize the words in sentences, and read passages containing these words. The lessons are intended to be used after students have experienced hands-on phonics activities Page 12 This decodable reader, fluency passage and running record focuses on short a CVC words as well as sight words. The resource includes the following: 9 page short a decodable book and follow up activities sight word focus: this, look, go, see, so, and short a reading/fluency passage link to the reading passage on SeeSaw running record that matches the decodable reader & reading passage The activities included provide great opportunities for reinforcing phonic skills whole group, small group or virtPage 13 Sounds of ED: Sounds of ED reading fluency and comprehension passage that is FREE for you :) Inflectional endings worksheet for quick practice! If you like this passage, you can find more just like it for ALL the first grade phonics sounds: First Grade Reading Fluency and Comprehension Passages {Entire Year Set} That pack includes: short a, ck, short o, short l, short e, short u, all, ing, qu, wh, sh, th, ch, -le, a, e, o, e, l, e, u, e, oo, or, ar, er, ir, ur, ea (long e), ee, oa, ow (long o), ow (ou) Page 14 NOTE: This product is only one lesson in the unit.
